### Chorus

Oh the dry savannah  
Underneath the acacia tree  
 Oh the hot savannah  
 On my animal safari

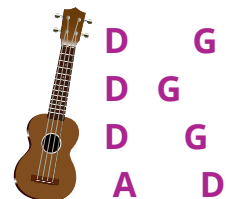

Hear the hippopotamus yawn - YAWN  
 So lazily - YAWN  
 He's wallowing in the mud  
 But that's the way he likes to be

### Repeat chorus

See that zebra run - TRIT TROT  
 She's very fast - TRIT TROT  
 Her beautiful stripes delight me  
 And that's the way she likes to be

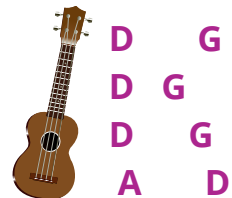

### Repeat chorus

The crocodile wants his lunch - SNAP SNAP  
 He's got a hundred teeth - SNAP SNAP  
 He winks and lets me past  
 And that's the way he likes to be

### Repeat chorus

Giraffe eats the leaves - CHOMP CHOMP  
 At the top of the tree - CHOMP CHOMP  
 Her neck is very long  
 And that's the way she likes to be

### Repeat chorus

The elephant blows his trunk - BRRRR  
 So noisily - BRRRRR  
 He's saying come along  
 To the animal jamboree

### Repeat chorus
