Let's all go to the bubbling bog - **Hands like bubbles**
Crouch down low and jump like a frog - **Crouch down**
Ribbit Ribbit Ribbit Ribbit Ribbit with me - **Hop around**
Hopping around now 1 2 3 - **Hop around**
(Jump up)

Chorus

Do the monster wiggle with me
One hand after the other hands on hips, wiggle to the ground
Do the monster wiggle with me
One hand after the other hands on hips, wiggle to the ground

When we're together we can fly **Hands out to the side**
Wave your claws up high in the sky **Wave hands in the air**
Whoosh whoosh whoosh whoosh whoosh with me **Fly around the room**
Flying around now 1 2 3 **Fly around the room**

Repeat Chorus

Stand together monsters all **Stand up tall**
Holding hands so we won't fall **Hands out to the side**
Stomp stomp stomp to the monster beat
Time to move your monster feet **Stomp around**

Repeat Chorus

Curl up tight in a tiny ball
And make yourself monster small **Curl in a ball**
Tiny tiny tiny tiny monster with me
Be a mini mini mini mini monster with me
(Jump up)

Repeat Chorus

Do the monster wiggle with me
One hand after the other hands on hips, wiggle to the ground
Collapse to the ground
